

# KIELER Pragmatics Meetings

Pragmatics Meetings are regularly scheduled to take place on **TUESDAYS, 4:00pm** in room **1115 (CAP 4)**.

This category in Confluence contains KIELER Pragmatics meeting minutes. To add minutes for a new meeting, click *Create* and choose the *KIELER Project Meeting Minutes* template.

## On Collecting Meeting Topics

We typically collect meeting topics at the start of a meeting and prioritize ad-hoc. However, if you want to make sure you don't forget about your topic, feel free to create a Wiki page for the next meeting and add your topic. Note that this won't mean your topic will have high priority, but at least we won't forget about it. 🍌
