

# Settings

The settings file is found at the path \$XDG\_CONFIG\_HOME/railway/settings.json or, if XDG\_CONFIG\_HOME is not set, at \$HOME/.config/railway/settings.json. The format is as follows:

Setting	Value type	Value range	Number of values	Description
debug_level	unsigned int	0-3	1	Debug output level. 0 no debugging output, 1 only errors, 2 errors and warnings, 3 errors and verbose warnings
